

SUMMER SPEAKERS SERIES

with **Dr. Helen Marlo**

Launching lives of purpose

As our communities overcome the COVID-19 pandemic, psychotherapists are now more important than ever. Join Department Chair Dr. Helen Marlo, local mental health professionals and NDNU Alumni, as they discuss the pandemic's impact on adolescents, caregivers, college students, and women. Connect with us virtually and learn how you can gain skills that make a difference in people's lives.
